- Hours of use is calculated from the start of your event until any and all cleanup and teardown is completed. Set up time (prior to the start of the event) must be cleared in advance and is dependent on the availability of the room and facility staff and may be billed at a minimum of \$50/hour.
- Temple's custodial staff are available during your event for table and chair setup and minor set up alterations. Because they are frequently assigned other tasks before, during and after your event, they are not available to help unload delivery vehicles or perform duties outside those already outlined.
- Pre-event deliveries must be scheduled in advance. A copy of an invoice detailing the items to be delivered must be submitted to Temple staff. In place of an invoice Temple staff must be informed at least of the name of the delivery company, the time and date of delivery and what event the delivery is for. Temple staff will not verify the contents of the delivery, nor will Temple staff be available to unload and store items delivered.
